***Accessing the School Building***

---

***For the safety and well-being of our students and staff, the following guidelines will be enforced:***

- All people visiting or volunteer at either Pinellas Preparatory Academy or Pinellas Primary Academy must first sign in at the front office to receive a printed ID badge.
- When issuing an ID badge, our staff will run a background check to ensure only those who are authorized can gain access to the building.
- Entry to and exit from the building by visitors and volunteers will be through the front office.
- All hallways, cafeteria and some areas outside are monitored by security cameras.
- We ask that parents do not enter through the cafeteria with students in the morning.
