### Cell Phone Permission Form

**Cell Phone Policy:** Students of Pinellas Preparatory Academy, Inc. are allowed to have cellular phones at school only if parental permission is given to have the telephone at school, and with the Principal's approval, and if updated cell phone numbers are provided to the school office. Once approved, students must keep their phones turned off and in their lockers or cubbies, unless they receive permission from their current teacher to use the phone for educational purposes. Without teacher permission, cell phones are not permitted in backpacks, book bags or on the student's person. If a phone is seen or heard while under school supervision without teacher permission, they will be taken away and existing behavioral sanctions will apply. All confiscated cell phones or other electronic devices will be made available only to the parent/legal guardian for direct pick-up at their convenience. When a student needs to make a call during the school day, they may use a school telephone, provided they obtain permission from a staff member prior to use. Parents who need to contact their children during the school day for valid emergencies should contact the school office to relay a message, and that message will be relayed to your child in a timely fashion.
