### *Hard Copy Request*

In an attempt to make communication more effective, and less expensive, PPA is committed to communicating more through electronic measures than by sending home papers. In the past, we have spent a great deal of time creating newsletters and fliers to be sent home, only to have them find permanent residence in a student's backpack or left on the floor of the school, and often times never making it home to the parents.

As a result, this year, the school office will not be creating fliers and newsletters to send home. Instead we will use our website to post information, and an announcement email system to keep parents informed of important information from the school. All posts to this email may be accessed at: <http://groups.google.com/group/pinellasprep>

We realize however that a small number of families may not have ready access to email, and are providing an option to request that hard copies be sent home. However, due to the cost of copying, and the extra work that will be required to prepare and distribute these copies, we ask that you only request this if you do not have access to the internet.

## Please, only sign and return this form if you do not have Internet access
