

PINELLAS PREPARATORY ACADEMY

Middle School Elective Form

During the 2011-12 school year, Pinellas Preparatory Academy will continue the scheduling model piloted last year, where students will be allowed to select one of four tracks. Each track is slightly different from the others. As a result, students will be allowed to have classes with different groups of students throughout the day. Language Arts and Math classes will still be broken into groups of honors and advanced students.

Please be sure to return this form by August 5, each track has limited enrollment, and for the most part students will be assigned to tracks on a first come / first serve basis. Actual assignments / schedules will not be announced until August 18.

Only Middle School Students (Grades 6-8) need to return this form
